If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spit. Fire

Cause you know that I can

Cause you know that I can

If I was in World War Two they'd call me spitfire

If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spitfire  
If I was in World War Two they'd call me spit. Fire
