

Virtual Friend

Armin Van Buuren vs Sophie Ellis-Bextor

Autumn leaves we treat as litter
People living on a bench
Childhood friends who lost contact
Fallen soldiers in a trench
By the way are you watching
How the world says goodbye?
Autumn leaves we treat as litter
People living on a bench
Childhood friends who lost contact
Fallen soldiers in a trench
By the way are you watching
How the world says goodbye?
Plastic islands in the ocean
Violent storms drop atom bombs
Hidden women walking slowly
Desperate men sing sacred songs
By the way are you watching
How the world says goodbye?
By the way are you watching
How the world says goodbye?
City boy selling countries
Surgeons lifting second skin
Sitting by software windows
Trying to find a virtual friend
By the way are you watching
How the world says goodbye?
