

Restless Farewell

Bob Dylan

Oh, all the money that in my whole life I did spend
Be it mine right or wrongfully
I let it slip gladly to friends
To tie up the time most forcefully
But the bottles are done
We've killed each one
And the table's full and overflowed
And the corner sign
Says it's closing time
So I'll bid farewell and be down the road
Oh, ev'ry girl that ever I've touched
I did not do it harmfully
And ev'ry girl that ever I've hurt
I did not do it knowin'ly
But to remain as friends
You need the time to make amends
And stay behind
And since my feet are now fast
And point away from the past
I'll bid farewell and be down the line
Oh, ev'ry foe that ever I faced
The cause was there before we came
And ev'ry cause that ever I fought
I fought it full without regret or shame
But the dark does die
As the curtain is drawn and somebody's eyes
Must meet the dawn
And if I see the day
I'd only have to stay
So I'll bid farewell in the night and be gone
Oh, ev'ry thought that's strung a knot in my mind
I might go insane if it couldn't be sprung
But it's not to stand naked under unknowin' eyes
It's for myself and my friends my stories are sung
But the time ain't tall
Yet on time you depend and no word is possessed
By no special friend
And though the line is cut
It ain't quite the end
I'll just bid farewell till we meet again
