Summer Song

Brandon DeVries

It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
Take the long way
Under the sun to our cool summer song
Sun is rising and the day is here
We'll celebrate so don't be late, the time is near
Grab your friends and like a rocket we're there
To where the party charges up every year
Where we laugh forever
Taste the perfect weather, everyone together
Pack your bags for the memories we make
So let's jet out today
It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
Take the long way
Under the sun to our cool summer song
Cruising underneath a cloudless sky
When we feel the sand, we know we've arrived
Everyday and every wave's a sweet ride
We will take out time until the tide says goodbye
We will all remember
These days are just like heaven in our minds we fly there
Pack your bags for the memories we make
So let's jet out today

It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
Take the long way
Under the sun to our cool summer song
Cool summer song
Good times we love
Like heaven forever
The purest perfection
It's a cool break, you know I can't wait
It's a cool break, we're hearing the radio playing
It's a cool break, I can't wait
Take the long way to our cool summer song
It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing

Take the long way
Under the sun to our cool summer song
It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
Take the long way
Under the sun to our cool summer song
It's a cool break, it's a cool break
