

Summer Song

Brandon DeVries

It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
 Take the long way
 Under the sun to our cool summer song
 Sun is rising and the day is here
 We'll celebrate so don't be late, the time is near
 Grab your friends and like a rocket we're there
 To where the party charges up every year
 Where we laugh forever
 Taste the perfect weather, everyone together
 Pack your bags for the memories we make
 So let's jet out today
It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
 Take the long way
 Under the sun to our cool summer song
 Cruising underneath a cloudless sky
 When we feel the sand, we know we've arrived
 Everyday and every wave's a sweet ride
 We will take out time until the tide says goodbye
 We will all remember
These days are just like heaven in our minds we fly there
 Pack your bags for the memories we make
 So let's jet out today

It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
 Take the long way
 Under the sun to our cool summer song
 Cool summer song
 Good times we love
 Like heaven forever
 The purest perfection
It's a cool break, you know I can't wait
It's a cool break, we're hearing the radio playing
 It's a cool break, I can't wait
 Take the long way to our cool summer song
 It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing

Take the long way
Under the sun to our cool summer song
It's a cool break, you know I can't wait
Everyday's like a Sunday and we're hearing the radio playing
Take the long way
Under the sun to our cool summer song
It's a cool break, it's a cool break
