# I Got Erection

## Gnarkill

Ich bin geil
ArghEvery time I walk down the street
Erection
When I see a woman that I'd like to beat
ErectionWhen I think of blood I think of love
Erection
When I think of blood I think of love
ErectionOh, I got erection
Oh, I got erection
Oh, I got erection
Oh, I got erectionWhen I set a house on fire
Erection
Once a liver, now she's a dier
ErectionWhen I dig a hole in the ground
Erection
When I hear that death punk sound
ErectionOh, I got erection
Oh, I got erection
Oh, I got erection
Oh, I got erection
