

Lost and Found

Senses Fail

This island has become
An ocean and my boat's too small
The waves are crashing in
And I can't save this sinking ship I sent out signal flares
But no one out there seems to care
Now the voice inside my head
Is the only thing that I have left This is the part where I'll admit
I'm getting what I deserve And now I'm lost at sea
I'm drowning in what I won't be
I'm haunted by the sound
(Sweet sound of my last breath) Twenty days at sea
My skin is blistered from the heat
I can beg and I can plead
What I get is never what I need This is the part where I'll admit
I'm getting what I deserve And now I'm lost at sea
I'm drowning in what I won't be
I'm haunted by the sound
(Sweet sound of my last breath) And now I'm lost at sea
I'm drowning in what I won't be
I'm haunted by the sound
(Sweet sound of my last breath) I'm going down, I'm going down
I'm going down, I'm going down This is the part where I'll admit
I'm getting what I deserve And now I'm lost at sea
I'm drowning in what I won't be
I'm haunted by the sound
(Sweet sound of my last breath) And now I'm lost at sea
I'm drowning in what I won't be
I'm haunted by the sound
(Sweet sound of my last breath)
