

Why Have You Left the One You Left Me For

Crystal Gayle

Why have you left the one you left me for
Has she heard, like me that slammin' door?
Did you leave for good or just get bored?
Why have you left the one you left me for Is she what you wanted?
Or has time changed your mind?
Has your dream love gone crazy?
And what brings you here tonight? Why have you left the one you left me for
Has she heard, like me that slammin' door?
Did you leave for good or just get bored?
Why have you left the one you left me for I can see you're hurting
But I'm not sure if it's real
How can I really hold you?
When I don't, when I don't
Know how you feel? Why have you left the one you left me for
Has she heard, like me that slammin' door?
Did you leave for good or just get bored?
Why have you left the one you left me for Okay, come on in
You be my lover
I'll be your friend
If you don't have to tell me
Then I won't ask again Why have you left the one you left me for
Has she heard, like me that slammin' door?
Did you leave for good or just get bored?
Why have you left the one you left me for Why have you left the one you left me for
Has she heard, like me that slammin' door?
Did you leave for good or just get bored?
Why have you left the one you left me for Why have you left the one you left me for
Why have you left the one you left me for
