

# No Easy Way Out

## Bullet For My Valentine

We're not indestructible,  
Baby better get that straight.  
I think it's unbelievable,  
How you give into the hands of fate.  
Some things are worth fighting for,  
Some feelings never die.  
I'm not asking for another chance,  
I just wanna know why.

There's no easy way out,  
There's no shortcut home.  
There's no easy way out,  
Giving in can't be wrong.

I don't wanna pacify,  
I don't wanna drag you down.  
But I'm feeling like a prisoner,  
Like a stranger in a no-name town.  
I see all the angry faces,  
Afraid that could be you and me.  
Talking about what might have been,  
Thinking about how it used to be.

There's no easy way out,  
There's no shortcut home.  
There's no easy way out,  
Giving in can't be wrong.

Baby maybe we can shed this skin,  
We can know how we feel inside.  
Instead of going down this endless road,  
Not knowing if we're dead or alive.  
Well some things are worth fighting for,  
Some feelings never die. (NEVER DIE)  
I'm not asking for another chance,  
I just wanna know why.

There's no easy way out,  
There's no shortcut home.  
There's no easy way out,

Givin' in, givin' in, can't be wrong, no.

[Repeat: x2]

There's no easy way out,  
(There's no easy way out)  
There's no shortcut home.  
(There's no shortcut home)  
There's no easy way out,  
(There's no easy, no easy, no easy way out).

There's no easy way out,  
There's no shortcut home.  
There's no easy way out,  
Givin' in, givin' in, can't be wrong, no.
