Why Not Trust God Again

Kurt Carr

When life seems cruel
And so unfair
With each new day it seems a greater problem's waiting there
For each step forward I take
Seems I get pushed two steps behind
Don't think I'm going to make it sometimes
Don't think my nerves can take it this time
As I'm about to call it quits a solution comes to mind
Why not trust God again?
I know that He can do it
If I pray again, believe again
My God will work it for my good again
I know that He will see me through it all
If I trust in God again.
Is there a mountain standing in your way
Is there a loved one you're worried about today
Is there a blessing you desire that seems intangible
Instead of giving up the fight
Cling to faith with all your might

The One who's seen you through before is still able
(He's still able.)
'Tis so sweet to trust in Jesus
Just to take Him at his word
Why not trust
Chorus
Why not trust God again
I know that he can do it
If I pray again, believe again
My God will work it for my good again
I know that He will see me through it all
If I trust in God again.
I will, I will, I will trust in God again (repeat)
