

# Breathe

## Jasmine Trias

I see your face in my mind as I drive away  
'Cause none of us thought it was gonna end that way  
People are people and sometimes we change our minds  
    But it's killing me to see you go after all this time  
Mmm, mmm, mmm, mmm, mmm, mmm, mmm, mmm  
Mmm, mmm, mmm, mmm, mmm, mmm, mmm, mmm  
    Music starts playin' like the end of a sad movie  
    It's the kinda ending you don't really wanna see  
    'Cause it's tragedy and it'll only bring you down  
    Now I don't know what to be without you around  
    And we know it's never simple, never easy  
    Never a clean break, no one here to save me  
You're the only thing I know like the back of my hand  
    And I can't breathe  
    Without you, but I have to  
        Breathe  
    Without you, but I have to  
        Never wanted this, never want to see you hurt  
        Every little bump in the road I tried to swerve  
People are people and sometimes it doesn't work out  
    Nothing we say is gonna save us from the fall out  
    And we know it's never simple, never easy  
    Never a clean break, no one here to save me  
You're the only thing I know like the back of my hand  
    And I can't breathe  
    Without you, but I have to  
        Breathe  
    Without you, but I have to  
        It's two a.m., feelin' like I just lost a friend  
        Hope you know it's not easy, easy for me  
        It's two a.m., feelin' like I just lost a friend  
        Hope you know this ain't easy, easy for me  
        And we know it's never simple, never easy  
Never a clean break, no one here to save me, oh  
    I can't breathe  
    Without you, but I have to  
        Breathe  
    Without you, but I have to  
        Breathe

Without you, but I have to  
I'm sorry, I'm sorry, I'm sorry  
I'm sorry, I'm sorry, I'm sorry, I'm sorry
