Situation

Yazoo

Blue eyed dressed for every situation
Moving through the doorway of a nation
Pick me up and shake the doubt
Baby I can't do without[Chorus:]
Move out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move outI remember only for an hour
Move right through me can you feel the power
I don't know what's going on
It scares me but it won't take long[Chorus]Now he's in control he is my lover
Nations stand against him he's your brother
Been a long time, been a long time now
I'll get to you somehow[Chorus]
