PLAYA

You know what this is
Hey, hey, oh
Yeah, play on playa
Hey, hey
Playa where you come from?
Where did you get that body?
Shawty you got ya girl gone
I wanna know where
Playa where did you get that look?
Baby, you got beautiful
Written all over you
I wanna know where
Sexy daddy can I kick it to you?
Shawty tell me ya name
I'm lookin' for a pretty thug
And I think I found one
Shawty tell me what the deal withcha
Shawty can I wear your chain?
Don't mean to be to forward
But you got me on one
'Cause you are what I need
And I got what you want
Why don't you try it, baby
I know you'll like it, baby
It feels so good, oh, so good
Fits so perfect
Like I knew you would
I wanna know
Playa where you come from?
Where did you get that body?
Shawty you got ya girl gone
I wanna know where
Playa where did you get that look?
Baby, you got beautiful
Written all over you
I wanna know where
Now I ain't got the words
To describe how you feel
So baby just say the word

And we can get outta here
'Cause I wanna love you
So right do it all night
You are the truth
And I can't, can't deny it
'Cause you are what I need
And I got what you want
Why don't you try it, baby
I know you'll like it, baby
It feels so good, oh so good
Fits so perfect
Like I knew you would
I wanna know
Playa where you come from?
Where did you get that body?
Shawty you got ya girl gone
I wanna know where
Playa where did you get that look?
Baby, you got beautiful
Written all over you
I wanna know where
We like chain playa's shinin' clean
Screwed up tape throwed off that lean
So where you at playa?
Where you at playa?
We like 'em rollin' swisha sweets
We like dem balla's makin' "Green"
So where you at playa?
Where you at playa?
I was at a jam the other night
I was sippin' on three and the feelin' was right
I met a little sumthin' tryna do a little sumthin'
Man shawty had her own look planned
She was pullin' on a nigga, hand playin' with a nigga
Pants all up on me, when we started to dance
First I just thought she was just playin' wit me
Until I heard all the stuff she was sayin' to me, like
Playa where you come from?
Where did you get that body?
Shawty you got ya girl gone
I wanna know where
Playa where did you get that look?
Baby, you got beautiful
Written all over you
All over you
