

Good Hearted Woman

Johnny Russell

My mother was just 21
All alone with a son of gun she roamed
Spent some nights sleeping in our car
 Cheap hotels and seedy bars
As it came to pass so was my road
 She's a good hearted woman
With a heart of gold that always understands
 That good hearted woman
Is making life the best way she can
 My granddaddy said when I was 9
"Boy, I raised you on that the Southern pride and so"
 Taught me how to fish and how to fight
 When I was wrong and what was right
 But the greatest story that he ever told
 Was of a good hearted woman
With a heart of gold that always understands
 That good hearted woman
Is making life the best way she can
 Pretty wife and fancy cars
I've paid my dues and got some scars to say
 There ain't a thing that I regret
 And I hope to laugh at all of this
When I'm sitting on my front porch old and gray
 Oh, yeah
 With my good hearted woman
With a heart of gold that always understands
 That good hearted woman
Is making life the best way she can
 That good hearted woman
 Sure loves a hard headed man
