Sadist

Bathory

I summoned up the living dead
And the demons in the skies
I drank from chalice warm and red
And watched the virgined eyePresent at ungodly births
In holy paradise
I spread eternal dark on earth
And raped the mother of ChristSee'mon baby
Raise your knife
Welcome darling
To my sacrificeTie the angel to the altar
Sacrifice to lord in hell
Let the warm blood torrent baby
Moonlight set the night on spell
