

# Strange

## Tokio Hotel

A freak of nature  
Stuck in reality  
I don't fit the picture  
I'm not what you want me to be  
Sorry Under the radar  
Out of the system  
Caught in the spotlight  
That's my existence You want me to change  
But all I feel is strange  
Strange  
In your perfect world  
So strange  
Strange  
I feel so absurd in this life  
Don't come closer  
In my arms  
Forever you'll be strange  
Strange You want to fix me  
Push me  
Into your fantasy  
You try to give me  
Sell me  
A new personality You try to lift me  
I don't get better  
What's making you happy  
Is making me sadder In your golden cage  
All I feel is strange  
Strange  
In your perfect world  
So strange  
Strange  
I feel so absurd in this life Don't come closer  
In my arms  
Forever you'll be strange  
Strange like me (Strange)  
When you touch me  
(Strange)  
When you kill me  
(Strange)

All I feel is strange In my dreams  
Together we'll be  
Strange, Strange  
In your perfect world Strange  
(I am so strange)  
Strange  
(I am so afraid)  
Strange  
Strange  
In your perfect world  
So strange  
Strange  
I feel so absurd in this life Don't come closer  
You'll die slowly  
In my arms  
Forever you'll be  
Strange  
Strange like me
