

Lies

En Vogue

Lies, lies
Using lies as alibis
Lies, lies
Just a devil in disguise It's the same game played in many ways
Everyone is the victim too
It's just a waste of time, made for simple minds
So why do people insist on lies? I'll live my life a different way
Refuse to let myself become a victim
Getting caught up in a vicious web of Lies, they can hurt you and destroy you
Using lies as alibis, watch out for lies
Lies, lies
Just a devil in disguise The nation's leaders as well as teachers
Practice lies as a way of lie, yes they do
So think before you speak 'cause what you sow you reap
The truth will always be brought to light Will we ever learn one day
That telling lies always lead to madness
Misery and sometimes pain? Lies, lies
Using lies as alibis
Lies, lies
Just a devil in disguise Lies, lies
Using lies as alibis
Lies, lies
Just a devil in disguise Lies and deceit, Yes it's running real rampant
Communities suffering, yo I can't stand it
When we think of lies we tend to think of politicians
But what about the husband who's on a mission
Lying to his wife so he can get it on and get some
Coming back home with a dumb expression
Written on a face that he's guilty as a criminal
It's time to change your attitude, people do you hear me? Don't listen to a funky rhyme that's kickin' knowledge
that we need
We lie about our hair and we know we got a weave
Politicians lie about the things they're gonna do
And everybody's tale affects me and you
A smoker lies about the money that he stole
And a dope dealer never tells you how he got his gold
I guess what Debbie T is really trying to say is
When you break it all down, we're really all the same I'll live my life a different way
Refuse to let myself become a victim

Caught up in a vicious web of liesLies, lies

Using lies as alibis

Lies, lies

Just a devil in disguiseLies, lies

Using lies as alibis

Lies, lies

Just a devil in disguise

Lies, lies

Using lies as alibis
