She be herself around me, freaky as she wanna be
Give me Georgia Dome, like I'm sittin' and affect the harmony
Can I enjoy it, make a little noise
Stand ready for it, you already know it
She swallow it gobble Dick little bitch from Memphis
In love wit my cock, she give a Jimmy a French kiss
Her favorite position is doggy style or in the butt
and the place that she likes is on the couch or in the truck
And I bang on her pussy like a mother fucking door knock
Knock like the Flintstones, yeah, making the bed rock
It's group fun, believe she do what she do son
You view some, and use some, and use some and use some
It ain't no fun if my hommies can't have none
She winked her eye, blew a kiss, stuck out her damn tongue
You know that she ready, yeah, remove the bed spreads then
Give a little head then, get on in the bed then
She freaky as she wanna be, believe it
(I'm freaky as I wanna be)
Pop in, what's in them vickies? No secret
(I'm freaky as I wanna be)
We in the bed no sheets, air to the feet, freaky as she wanna be
She freaky as she wanna be, believe it
(I'm freaky as I wanna be)
Pop in, what's in them vickies? No secret

(I'm freaky as I wanna be)

That pussy ain't shit but that mouth like a

As soon as I bust a nut she grab the dick and she suck it up
Bring her to the hotel and she do the team
She's a ghetto bitch all she wants is hot wings
Nah, nigga she like the way a nigga ice bling
She's a good girl and she's a actor
In the room alone she's a fuckin' dick doctor
Pop my balls in her mouth, like she pops some capsules
I like them easin' out the county and like the way I sold
They choose ya cause a nigga is a rapper, fuck 'em good
And straight get ghost just like Casper
She freaky as she wanna be, believe it
(I'm freaky as I wanna be)
Pop in, what's in them vickies? No secret
(I'm freaky as I wanna be)
We in the bed no sheets, air to the feet, freaky as she wanna be
She freaky as she wanna be, believe it
(I'm freaky as I wanna be)
Pop in, what's in them vickies? No secret
