# Still Standing

## Israel & New Breed

You gave me courage to believe
That all your goodness I will see
And if it had not been for You
Standing on my side, where would I be?If not for Your goodness, if not for Your grace
I don't know where I would be today
If not for Your kindness, I never could say
I'm still standingIf not for Your mercy, if not for Your love
I most likely would have given up
If not for Your favor, I never could say
I'm still standing but by the grace of GodTo You I lift my offering
And set my heart on higher things
For if it had not been for You
Standing on my side, where would I be?If not for Your goodness, if not for Your grace
I don't know where I would be today
If not for Your kindness, I never could say
I'm still standingIf not for Your mercy, if not for Your love
I most likely would have given up
If not for Your favor, I never could say
I'm still standing but by the grace of GodI'm still standing, I'm still standing
I'm still standing but by the grace of God
I'm still standing, I'm still standing
I'm still standing but by the grace of God
I'm still standing, I'm still standing
I'm still standing but by the grace of GodIf not for Your goodness, if not for Your grace
I don't know where I would be today
If not for Your kindness, I never could say
I'm still standingIf not for Your mercy, if not for Your love
I most likely would have given up
If not for Your favor, I never could say
I'm still standing, standing
I'm still standing but by the grace of GodI'm still standing, I'm still standing
I'm still standing but by the grace of God
I'm still standing, I'm still standing
I'm still standing but by the grace of GodI'm still shouting, I'm still shouting
I'm still shouting but by the grace of God
I'm still jumping, I'm still jumping
I'm still jumping but by the grace of God
I'm still standing, I'm still standing
I'm still standing but by the grace of God
