

# One More Chance

Candie Payne

Today will be the saddest day  
Because my love, he's gone away  
Tonight will be the longest night  
Without him by my side

One more chance is all I ask  
Darling, say it's not too late  
One more chance is all I ask  
Life without you I can't take

Tomorrow brings the hardest road  
My broken heart, a heavy load  
And I cannot see a light  
Anywhere down the line
