It's You

Johnny Van Zant

Well, I've got somethin' to say to you, yes, I do
Are you lonely girl, are you feelin' blue?Don't you know that it's you?
It's you that I want
It's you that I need to love
It's you, it's you that I want
It's you that I need to stay with tonight
Oh, it's youNow I know that you are a high fashion girl
With a hunger for love
But I'm captured by your smile
Baby, I'm begging you please
Will you stay for a while?'Cause it's you
It's you that I want
It's you that I need to love
It's you, it's you that I want
It's you that I need to stay with tonight
Oh, it's youCome on, baby, tell me that you need me
It's gettin' late and my heart won't wait
I've been searchin' for someone to love me
It's time to plan our final escapeOoh, it's you
It's you that I want
It's you that I need to love
It's you, it's you that I want
It's you that I need to stay with tonightOh, it's you
Oh, baby, tell me that you love me
It's gettin' late and my heart won't wait
Don't you know that it's you?
Don't you know that it's you that I love?
