

I Wish It Could Be Christmas Everyday

Leona Lewis

When the snowman brings the snow
Well, he just might like to know
He's put a great big smile
On somebody's face
If you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on the way
Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
Let the bells ring out for Christmas
When we're skating in the park
If the storm cloud makes it dark
Then your rosy cheeks are gonna light
My merry way
Now the frosticals appeared
And they've frozen up my hair
And so we'll lie by the fire
Till the sleep simply melts them all away
Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
Let the bells ring out for Christmas
When the snowman brings the snow
He just might like to know
He's put a great big smile
On somebody's face
So if Santa brings that sleigh
All around the Milky Way
I'll sign my name on the rooftop in the snow
Then he may decide to stay
Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
Let the bells ring out for Christmas
I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
Let the bells ring out for Christmas
Why don't you give your love for Christmas?
