im never ganna run  
im never ganna live  
im never ganna hide  
ohhhill wait for you hoping that day will come  
ill wait for you until it feels like forever  
and that time was spend on and wishing that you were here  
and i hope someday forever wont be so far awaybut right now  
24/7  
ill wait  
24/7  
for you  
24/7  
i know  
24/4  
you'll be here
