Your Body

Tom Novy feat Michael Marshall

Girl, your body on fire
Your my desire
Every time I touch you make me feel
Every time I'm with you make me feel
Every time I freak you make me feel
No se si tu

Girl, your body on fire
Your my desire
Yo no se que voy hacer sin ti
Tu cuerpo me hacer sentir
Como si estuviera en extasis
No se si tu

Stop, play the music and take control
I know you want it
Someone told me you been waiting all night long
I know you want it
Stop, forget about this and just roll
You want it
En esto no hace falta cinturon
Se que tu quieres

Nunca he visto una chica tan dulce y sexual
Tu sonriza, me acaricia, no se como actuar
Mami que sera de mi
Te prometo tu seras feliz
Te llevare a lugares que no olvidaras
Dejame ser tu gallan
Ser tu hombre ideal
Complir tus fantasias sin tener curiosidad

Dandote toda la noche
Amandote sin cezar
Tu cuerpo junto al mio entonce
Bebe, no te hagas de rogar

Hitting it, hitting it
Smacking it, smacking it
Loving you to the end

Loving it, playing with it
Kissing it, grabbing it
Oh I just want one chance

Girl, your body on fire
Your my desire
Every time I touch you make me feel
Every time I'm with you make me feel
Every time I freak you make me feel
No se si tu

Girl, your body on fire
Your my desire
Yo no se que voy hacer sin ti
Tu cuerpo me hacer sentir
Como si estuviera en extasis
No se si tu

Let's get it croppin
Hennessey on the rocksin
Iced out, blinged out, no stoping
She's pomping
Listen more dp, shampane all poping

We got hip-hop clowns
Birds fly that around
Goons that get down
Time to play around
If a bitch act right
She bouncing with me tonight
Se que te gusta ma
Tell me what you like

Hitting it, hitting it
Smacking it, smacking it
Loving you to the end
Loving it, playing with it
Kissing it, grabbing it
Oh I just want one chance

Stop, play the music and take control
I know you want it
Someone told me you been waiting all night long
I know you want it
Stop, forget about this and just roll
You want it

En esto no hace falta cinturon
Se que tu quieres

Girl, your body on fire
Your my desire
Every time I touch you make me feel
Every time I'm with you make me feel
Every time I freak you make me feel
No se si tu

Girl, your body on fire
Your my desire
Yo no se que voy hacer sin ti
Tu cuerpo me hacer sentir
Como si estuviera en extasis
No se si tu

Your body on fire
On fire
On fire
De La Ghetto
