# Get Rid Of That Girl

## The Donnas

See that boy he looks so fine
But he's got a girlfriend my oh my
Go Go Go
I'm gonna hit her in the head
I'm gonna knock her down
I'm gonna drag her by the hair all over town
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl tonightHer hair's so blond and her nails' so long
So I put my Mabelines' record on
Kill Kill KillI'm gonna drag her ass down to my car
I'm gonna use that Matchlight Mountain Dew crush
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl tonight
