

When You're Around

The Downtown Fiction

Open your eyes
Such a surprise
Calling numbers from a phonebook page

Listen around
Lie on the ground
Promise that we'll never act our age

It's true
Like I'd wanted to

Oh, there's no snow (no snow)
In Southern California
Baby I adore ya,
talking about now

There's no snow (no snow)
In this part of town
But when you're around it's a holiday

I don't know why
Every time that I see your face I want to cry

Might be the way
Oh could you say
we could stay here 'til the end of time

With me
Making history

Oh, there's no snow (no snow)
In Southern California
Baby I adore ya,
Talking about now

There's no snow (no snow)
In this part of town
But when you're around
It's a holiday

When I'm with you
Life feels brand new
When I'm with you
I feel so brand new

Oh, there's no snow (no snow)
In Southern California
Baby I adore ya,
Talking about now

There's no snow
In this part of town
But when you're around
It's a holiday

Once you feel loved
Once you feel love
It's a holiday

Once you feel loved
Once you feel love

When you're around
It's a holiday
