

# The Moth

## Julio Bashmore

The moth don't care when he sees the flame  
he might get burned but he's in the game  
and once he's in he can't go back, and  
beat his wings 'til he burns them black  
no the moth don't care when he sees the flame  
no the moth don't care when he sees the flame  
the moth don't care if the flame is real  
'cause flame and moth got a sweetheart deal  
and nothing fuels a good flirtation  
like need and anger and desperation  
no the moth don't care if the flame is real  
no the moth don't care if the flame is real  
So come on let's go ready or not  
'cause there's a flame I know hotter than hot  
and with a fuse that's so thoroughly shot  
away  
the moth don't care if the flame burns low  
'cause moth believes in an afterglow  
and flames are never doused completely  
all you really need is a love of heat  
no, the moth don't care if the flame burns low  
no, the moth don't care if the flame burns low  
So come on let's go ready or not  
'cause there's a flame I know hotter than hot  
and with a fuse that's so thoroughly shot  
away
