Got to Get My Heart Back

[Keyshia Cole](#)

I know where I went wrong
When I loved you more than I loved myself
I would have done anything for youAnd I learned when I realized
You didn't love me the way that I loved you
But now I know, it hurts insideGotta get my heart back to the way it used to love
The way it used to be, the way it used to feel
Before I fell in love, fell in love with youGotta get my heart back to the way it used to love
The way it used to be, the way it used to feel
Before I fell in love, fell in love with youAll I want is true love
Couldn't tolerate no more lovin' someone
Who couldn't learn to love somebody else
That's why my heart ain't been the sameI see right now where it's headin' down
Same road I seen before but no one told me
That it would hurt this way and my life wouldn't be the same
That's why I gotta get my heart backGotta get my heart back to the way it used to love
The way it used to be, the way it used to feel
Before I fell in love, fell in love with youYou ain't gotta lie, you see me lookin' fly
You want me on your arm, well, I ain't got the time
I seen it all baby, I been around the world
And it's a cold game everywhere around the worldI seen niggas get crossed up 'cause they the realest
And all the realest niggas in the street don't have no feelin's
It come from being neglected and I'm so alone
I'm in my own zone, I'm tryin' to get my heart backGotta get my heart back to the way it used to love
The way it used to be, the way it used to feel
Before I fell in love, fell in love with youGotta get my heart back to the way it used to love
The way it used to be, the way it used to feel
Before I fell in love, fell in love with youThe way I used to love, baby, the way it used to be, baby
The way I used to feel, baby, before I fell in love, baby
Fell in love, fell in love with youThe way I used to love, baby, the way it used to be, baby
The way I used to feel, baby, before I fell in love, baby
Fell in love, fell in love with you
