Sevendust

Walk that crooked line
I see you try to be the one standing
In the middle of the circle Try and try, you ask me to answer
All the time I give you a reason
Why you want me to show you, why?
Ask again, ask again, then you'll see Why I wanna feel the same as you?
Ask again, ask again and I'll show you The circle's broken down
I don't care if you blame me I don't care if you hate me
I don't care if you trust me
I don't care if you blame me
Now the circle is broken I can feel you squirm
At the thought of my name
Stop walking around talking shit again
Will you remember my face when
I reach out and touch you? You'll know why
I'll never be the same as you
Ask again, it's the end, you fuck The circle's broken down
I don't care if you blame me I don't care if you hate me
I don't care if you trust me
I don't care if you blame me
Now the circle is broken Walk that crooked line I see
Now it's my turn The circle's broken down
The circle is broken I don't care if you hate me
I don't care if you trust me next
I don't care if you blame me
I just don't give a shit
