Possum of the Grotto

Rasputina

He lives under the banyon tree
When I'm in trouble, he helps me
I hear him creep through the leaves at nightHis flesh is pink, but his fur is bright snow white!
No meat, no bread
Get inside his little head"cause he's the possum of the grotto
Possum of the grotto
Alkalize or dieDon't complain about humidity
If the yard is damp, that is where he'll be
Don't be racist against this albino
I have kissed his lips and seen his red eyes shine, oh!Get inside his little head"cause he's the possum of the grotto
Prophet of vibratoAlkilize or dieCheek to cheek
Don't be shy
Alkilize or dieBeast to beast
Eye to eye
Alkilize or dieNo meat, no breadPossum of the grotto
Possum of the grotto
Alkalize or die"cause he's the possum of the grotto
