

# Across the Universe

## The Beatles

Words are flowing out like endless rain into a paper cup,  
They slither while they pass, they slip away across the universe.  
Pools of sorrow waves of joy are drifting through my opened mind,  
Possessing and caressing me.  
Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world.  
Images of broken light which dance before me like a million eyes,  
They call me on and on across the universe,  
Thoughts meander like a restless wind  
Inside a letter box they  
Tumble blindly as they make their way  
Across the universe  
Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world.  
Sounds of laughter shades of life are ringing  
Through my open ears inciting and inviting me.  
Limitless undying love which shines around me like a million suns,  
And calls me on and on across the universe  
Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world.
