Best Dressed Pimp

King Chango

Hey, debe debe doo va day
That's why the girls they say
'Cause I'm the best dressed pimp in town now
Debe debe doo va day
That's why the girls they sayOne two, uno, dos, fuck, I'm late to work
Pimping and grooving with the flavas of the girlies
You got to do it with style or end up dated in the 90's
Sexual fantasies is what I'm handling, I'm selling
I don't have an afro but I walk like Jim KellyI don't wear diamond rings but I got collections of Ferrari's
Clarice, Monique, whatever the fuck you please is what I bring
Do you see what I mean, Dean?
You are dealing with a pro and not with a fucking rookieHey, debe debe doo va day
That's why the girls they say
'Cause I'm the best dressed pimp in town now
Debe debe doo va day
That's why the girls they sayYou got some sugar for me baby?Three, four, tres cuatro, I'm tarde para trabajo
Sherry and Sally are the ones who make my money
Been done saying don't you mess around with my honeys
'Cause if you mess with them, I'm gonna pull out my macheteDebe debe say, this is not rock steady
I love the reggae beats when I'm driving in my Mercedes
And if you mess with me, I will make you swallow your dicky
Si senor como no, the king of chicken heads soy yoHey, debe debe doo va day
That's why the girls they say
'Cause I'm the best dressed pimp in town now
Debe debe doo va day
That's why the girls they sayCome on girl, I've got everything you need
Let's get it on, I'm going pimping and grooving
