

# On Fire

## Phoenix

Baby, our city's on fire  
Don't you know it's going to be alright  
Well alright, alright, alright  
Lately, you're running through the bombs  
Don't you know it's going to last all night  
Well alright, alright, alright, alright, alright  
Baby, revolution is over  
You and me it's going to be alright  
Well alright, alright, alright  
Hard times won't last forever  
Don't you know we've got some real good time?  
Well alright, alright, alright  
There was a time  
She called me sweet, my hero, my cute thing  
I gave her all the love I got

Baby, for you I'm a man  
This is how I got to prove my love  
I love that  
Baby, left me for another  
Don't you know it's going to be alright  
Well alright, alright, alright, alright, alright  
There was a time  
She called me sweet, my hero, my cute thing  
I gave her all the love I got  
Baby, our city's on fire  
Don't you know it's going to be alright?  
Well alright, alright, alright  
Hard times won't last forever  
Don't you know it's going to be alright?  
Well alright, alright, alright
