Watch Me Bleed

Tears for Fears

Heaven comes to he who waits

But I know I'm getting nowhere

And all the deeds of yesterday

Have really helped to pave my wayThough there's no one near me now

How come everyone can touch me now?

You see the torture on my brow

Relates to neither here nor nowWatch me bleed

Bleed forever

Watch me bleed

Bleed forever

Although my face is straight it lies

My body feels the pain and criesHere the table is not bare

I am full but feeling empty

For all the warmth it feels so cold

Ooh I'm so young I feel so oldWatch me bleed

Bleed forever

Watch me bleed

Bleed forever

It's not allowed to be unkind

But still the hate lives in my mindI'll make no noise I'll hide my pain

I'll close my eyes I won't complain

I'll lie right back and take the blame

And try to tell myself I'm livingAnd when it's all been said or done

Where do I go? Where do I run?

What's left of me or anyone

When we've denied the hurting?

Oh oh oh oh oh

Pa pa pa pa pa pa pa pa pa And when it's all been said or done

Where do I go, where do I run?

What's left of me or anyone

When we've denied the hurting?

Oh oh oh ohWatch me bleed

Bleed forever

Watch me bleed

Bleed forever

And all the deeds of yesterday

Have really helped to pave my wayWatch me bleed

Bleed forever

Watch me bleed

Bleed forever And all the deeds of yesterday Have really helped to pave my way
