

An Alien Cure

Gary Numan

So I wandered like Jesus
Like an alien cure
Searching for my disciples
Dispossessed and alone.
So I looked deeper
Into evil
And I came closer
To your corruption.
I took a virgin like Mary
And said "I give you The One"
I confessed to desire
And watched the world come undone.

So I looked deeper
Into evil
And I came closer
To your obsession.
So I looked deeper
Into evil
And I came closer
To Heaven.
Your Heaven.
So I moved like a rumour
Like a glorious lie
And I walked into Heaven
Into dead paradise.
