

# Ocean

## The Casket Lottery

maybe you can be my ocean. but keep in mind, darling i'd, prefer to drown. so dream of me and i will be the devil fucking you. you know me...i hope youre sick of being deep. i cant stand being at the bottom of this sea without you. please sink. cause you can be anything here. you can be a dream, you can be my angel in the sea., if youre sick of being deep.
