

# Unhaunted

John Mark McMillan

Geater love indeed, did you say  
My name  
My particles responded, my body  
She sang  
I, I don't want to be unhaunted  
Oh  
I, I don't want to be unhauntedA hidden darkness, we've been  
Out on a voyage for the government  
Everybody calls for the government but  
Nobody's drawing blood  
I been thinking about what it meant  
To say that you never get used to it  
On the shores of the heaven [?]  
And who I thought I was  
Whoa  
I don't want to live like this  
Something's gotta give  
I don't want to be unhauntedA greater love, the night did you call  
My blood  
My chemicals responded, my body  
Gave up  
I, I don't want to be unhaunted  
By love  
I, I don't want to be unhauntedA hidden darkness, we've been  
Out on a voyage for the government  
Everybody calls for the government but  
Nobody's drawing blood  
I been thinking about what it meant  
To say that you never get used to it  
On the shores of the heaven [?]  
And who I thought I was  
Whoa  
I don't want to live like this  
Something's gotta give  
I don't want to be unhaunted  
Whoa  
I don't want to live like this  
Something's gotta give  
I don't want to be unhauntedDo you drive around town in a dreamlike state

Talking to the thoughts  
A body can't shake  
You say I'm lost but maybe I'm late  
Where are you, my friend  
Have you seen your own face?  
Do you drive around town in a dreamlike state  
Talking to the thoughts  
Your body can't shake No greater love indeed did you say  
My name  
My particles responded, my body  
She sang  
I, I don't want to be unhaunted Whoa  
I don't want to live like this  
Something's gotta give  
I don't want to be unhaunted  
Whoa  
I don't want to live like this  
Something's gotta give  
I don't want to be unhaunted  
Whoa  
Ohhh  
Whoa  
WhoaWoah  
Ohhh  
Woah  
Woah
