

Some Kind of Magick

The 69 Eyes

What if I cannot hold on
Maybe I've been trying too long
What if my heart's been all wrong
Maybe it's the loving that's gone
A thousand rainbows shine
Another thousand shineSome kind of magick
Do you feel it
Some kind of magick
Do you feel it
Do you feel it
What if I cannot turn on
Babe I've been dying too long
What if my heart's been all wrong
Maybe the blood is all goneA thousand rainbows shine
Another thousand shineSome kind of magick
Do you feel it
Some kind of magick
Do you feel itDo you feel itSome kind of magick
