She Don't Know

J.B. Lenoir

Papi, wake up your phone is ringing
Your not gonna get it?
I see, go back to sleep te quiero baby
She don't know that your laying by my side tonight
I hear her calling you
(A donde Esta a donde Esta)
Boy where have you been?
And she don't know that you changed your mind 'bout her
And I'm your one true destiny
(Pobresita perdoname)
Pero he's in love with me
Ah ah, I need this love beside
Ah ah, I dreamed it all my life
Sometimes the things that don't seem right
Leads to the best thing of a life
She don't know, she don't know that your in love with me
I can't let go because your the one for me
You are my Corazon h, I love you better
You have my Corazon yo te quiero
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
I know I'm being selfish but you know I can't help it
Know we neva felt this I'm melting, into your love
I'm going deeper and deeper feel like I, I gotta secret
I'm gon' keep it 'cuz she don't know your mine
Damelo yo quiero tu besos I love it when you kiss me
Necesito tu besos, kiss me now 'cuz you'll never understand
The way I can this love we have inside
(Inside, inside, inside)
Ah ah, I need this love beside
Ah ah, I dreamed it all my life
Sometimes the things that don't seem right
Leads to the best thing of a life

She don't know, she don't know that your in love with me
I can't let go because your the one for me
You are my Corazon ah ah, I love you better
You have my Corazon yo te quiero
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
She don't know, she don't know that your in love with me
I can't let go because your the one for me
You are my Corazon ah ah, I love you better
You have my Corazon yo te quiero
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
Ah ah, ay yo te quiero, te quiero
(I love you)
