Here

Lamb

Mister sunshine looks over his shoulder for rain
All ours joys in this life are outlined by pain
But all we do is search and search for fulfillment that seems so illusive
We should know that its all right here if we just could see itAll I want is here
All I want is here
All I want is here
All I want is hereWere so busy looking for a Saviour
We dont see the power in ourselves
All our lives are precious
Dont let it pass you byAll I want is here
All I want is here
All I want is here
All I want is hereMister sunshine looks over his shoulder for rain
All our joys in this life are outlined by painAll I want is here
All I want is here
All I want is here
All I want is here
All I want is here
All I want is here
