Bell Bottom Blues

Eric Clapton

Bell bottom blues, you made me cry
I don't want to lose this feeling
And if I could choose a place to die
It would be in your armsDo you want to see me
Crawl across the floor to you?
Do you want to hear me
Beg you to take me back? I'd gladly do it becauseI don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart, I want to stayIt's all wrong but it's all right
The way that you treat me, baby
Once I was strong but I lost the fight
You won't find a better loserBell bottom blues, you made me cry
I don't want to lose this feeling
And if I could choose a place to die
It would be in your armsBell bottom blues, you made me cry
I don't want to lose this feeling
And if I could choose a place to die
It would be in your armsBell bottom blues, don't say goodbye
I'm sure, we're gonna meet again
And if we do, don't you be surprised
If you find me with another loverBell bottom blues, you made me cry
I don't want to lose this feeling
And if I could choose a place to die
It would be in your armsI don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart, I long to stay
