

Tangerine Sky

Blackbird Blackbird

Tangerine sky
What's there to lose now?
Tangerine sky
What's there to lose now? We're staring into the timeless void
Everything collapses, we're crumbling into NOTHING
But we still need to hold on to memories,
The things that we've lost & found along the way! Gone & on
Gone & on
Gone & on
Gone, uuuh
Gone I NEED YOU THE MOST I LOVE YOU THE MOST OF ALL
Everything collapses, crumbling into NOTHING,
But we still need to hold on to memories
