

# I Hate U I Love U (feat. Olivia O'Brien)

gnash

Feeling used  
But I'm still missing you  
And I can see the end of this  
Just wanna feel your kiss against my lips  
And now all this time  
Is passing by  
But I just can't seem to tell you why  
It hurts me every time I see you  
I realize how much I need you  
I hate you  
I love you  
I hate that I love you  
Don't want to  
But i can't put  
Nobody else above you  
I hate you  
I love you  
I hate that I want you  
You want her  
You need her  
And I won't ever be her  
I miss you when I can't sleep  
Or right after coffee  
Or right when I can't eat  
I miss you in my front seat  
I still have scent on my sweaters  
From nights we don't remember  
Do you miss me like I miss you?  
Fucked around and got attached to you  
Friends can break your heart too  
And I'm always tired but never of you  
If I pull you on  
You wouldn't like that shit  
If I put this real  
But you wouldn't buy that shit  
I type a text  
But then I never mind that shit  
I got these feelings  
but you never mind that shit  
oh keep it on the low  
You are still in love with me  
But your friends don't know  
If you wanted me  
You would just say so  
And if i were you  
I will never let me go  
I don't mean no harm  
I just miss you on my arm

Wedding bells were just alarms  
Caution tape around my heart You ever wonder what we could've been?  
You said you wouldn't and you fucking did  
Lie to me, lie with me, get your fucking fix Now all my drinks and all my feelings are all fucking mixed Always  
missing people that I shouldn't be missing  
Sometimes you gotta burn some bridges just to create some distance  
I know that I control my thoughts, and I should stop reminiscing  
But I learned from my dad that it's good to have feelings  
When love and trust are gone  
I guess this is moving on Everyone I do right does me wrong So every lonely night, I sing this song I hate you I  
love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you I hate you I love you I hate that I want you  
You want her, you need her  
And I'll never be her All alone I watch you watch her  
Like she's the only girl you've ever seen  
You don't care u never did  
You don't give a damn about me Yeah all alone I watch you watch her  
She's the only thing you've ever seen  
How is it you never notice  
That you are slowly killing me I hate you I love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
I hate you I love you  
I hate that I want you  
You want her, you need her  
And I'll never be her
