

# Move On Up

## Curtis Mayfield

Hush now child, and don't you cry  
Your folks might understand you, by and by  
Move on up, toward your destination  
You may find from time to time  
Complication Bight your lip, and take a trip  
Though there may be wet road ahead  
And you cannot slip  
So move on up for peace will find  
Into the steeple of beautiful people  
Where there's only one kind So hush now child, and don't you cry  
Your folks might understand you, by and by  
Move on up, and keep on wishing  
Remember your dream is your only scheme  
So keep on pushing Take nothing less, than the second best  
Do not obey, you must keep your say  
You can past the test  
Just move on up, to a greater day  
With just a little faith  
If you put your mind to it you can surely do it Just move on up  
Move on up  
But move on up  
Oh child, but just move on up  
But move on up  
Move on up
