

Celebrate

Mika

I wanna come home
To the only place I know
Where the trees I planted grow

I wanna come home
Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K

Everyone says now or never
I say only if it's better
Be a night like this forever

We know better
I want the whole world to celebrate
I want the whole world to celebrate
I want the whole world to celebrate
I want the whole world to celebrate

I'll be just fine
When I see you at the finish line
Doesn't matter if I take my time

I'm coming home
Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K

Everyone says now or never
I say only if it's better
Be a night like this forever
We know better

I want the whole world to celebrate

I want the whole world to celebrate
I want the whole world to celebrate
I want the whole world to celebrate

I'm not mad at you at all
But I want the whole world to celebrate

Yeah

Mmmmm

Right about now it's time for everybody to stand up
Stand up, stand up

And have fun
Cause we just begun
I want the whole world to celebrate
Let's go
Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K
Everyone says now or never
I say only if it's better
Be a night like this forever
We know better
I wanna go home
And celebrate
I wanna go home
And celebrate
I wanna go home
And celebrate
I wanna go home
And celebrate
I want the whole world to celebrate
