

Breakout

Advisory - the following lyrics contain explicit language:

Been in this cell block seven years too long
Payin' for a crime when I didn't do anything wrong
Lynin' here rottin' for someone else's mistake
I've come to my senses, it's time to make a break
Breakout, I'm comin' after you
Breakout, I say our love is overdue
Breakout, I'm at the breakin' point
Breakout, I'm gonna bust out of this joint
I'm sick and tired of punchin' out license plates
For a criminal justice system that I hate, hate
The food here sucks, I'm not about to wait
Well I've come to my senses, it's time to make a break
Breakout, I'm comin' after you
Breakout, I say our love is overdue
Breakout, I'm at the breakin' point
Breakout, gonna bust out of this joint
Breakout, I'm comin' after you
Breakout, I say our love is overdue
Breakout, I'm at the breakin' point
Breakout, gonna bust out of this joint
Gonna breakout
Gonna breakout
Gonna breakout, oh
I'm comin' after you
