

# I Survive (feat. Aaron Gillespie of The Almost)

## We Came As Romans

Holding on with all I have inside for the sake of my life  
I'm pulled underwater  
Crying out I call for anyone to share this fight  
But I'm sinking farther  
So weathered, worn and battered, I will stay  
Keep treading, as I'm dreading the waves  
My hands are tied but I will make it  
I'm not shaken Even when my mind's exhausted, I survive  
And the world tries to drown you out  
Flooding your life like water-filled lungs  
Waiting for the day this storm will pass and leave my life  
It only makes me stronger  
I don't want to wait, but all that has been on my mind is, how much longer?  
So weathered, worn and battered, I will stay  
Keep treading, as I'm dreading the waves  
My hands are tied but I will make it  
I'm not shaken Even when my mind's exhausted, I survive  
And the world tries to drown you out  
Flooding your life like water-filled lungs  
And the waves try to wash you away  
Brace yourself, head high, heart strong  
I will keep my head and heart above the waves  
My hands are tired but I will make it  
I'm not shaken  
Even when my mind's exhausted, I survive  
My heart is tired but it's not breaking  
Now I'm awakened  
No matter what the cost is, I survive  
And the world tries to drown you out  
Flooding your life like water-filled lungs  
And the waves try to wash you away  
Brace yourself, head high, heart strong
