

# The Infinite

## Dargaard

Which way is the right path  
As I stand upon  
This chaotic crossroad of hate...  
How many ways  
Are there to roam  
On this dark and damned  
Road of fate...  
There are many ways my son,  
To find where the souls  
Of demons remain...  
But it takes only one second  
Of despair  
And of doubt until at last,  
Your soul they will gain...  
Inherit these lands,  
These things,  
These dreams that are yours,  
Forever to adore  
For there is no life,  
In the depths of chaos,  
My son for you to explore.  
There are many ways my son,  
To find where the souls  
Of demons remain...  
But it takes only one second  
Of despair and of doubt  
Until at last,  
Your soul they will gain...  
Inherit these lands,  
These things,  
These dreams that are yours,  
Forever to adore  
For there is no life,  
In the depths of chaos,  
My son for you to explore.
