Love Is

Little River Band

Love is like oxygen
you get too much you get too high
not enough and you're gonna die
love gets you highTime on my side
i got it all
i've heard that pride
always comes before a fall
there's a rumour goin round the town
that you don't want me around
i can't shake off my city blues
every way i turn i lose
Love is like oxygen
you get too much you get too high
not enough and you're gonna die
love gets you high
Time is no healer
if you're not there
lonely fever
sad words in the air
Some things are better left unsaid
i'm gonna spend my days in bed
i'll walk the streets at night
to be hidden by the city lights, city lights
