

# No Ordinary Girl

## Makeba

Don't go jumping to conclusions  
Draw me into your confusion  
Don't you know that you're intruding?  
So back off for a whileIt's never been up for debating  
We got something worth the waiting  
I can tell your heart is aching  
And you wanna make me smileSome girls surrender  
But that's not my way  
All I can say isGive it time, you got to try  
If you wanna get inside my world  
It's no lie, just give it time  
'Cause I ain't no ordinary girl, yeah  
Ordinary girlIt's not you that I'm rejecting  
It's my heart that I'm protecting  
Being careful about selecting  
Who gets into my thoughtsBaby, these are my conditions  
I'll admit by free admission  
If you make the right decision  
You're the one I wantWill you surrender?  
Don't go away  
Oh, I hope you stayGive it time, you got to try  
If you wanna get inside my world  
It's no lie, just give it time  
'Cause I ain't no ordinary girl, yeahOrdinary girl  
Oh, it's no lie, just give it time  
'Cause I ain't no ordinary girlIt's not that I'm special  
Or think that I'm so fine  
But these are my boundaries  
If you wanna cross my lineNo, no  
If you wanna get inside  
Inside my worldIt's no lie, just give it time  
'Cause I ain't no ordinary girl, yeah  
Ordinary girl  
If you wanna get insideIt's no lie, just give it time  
'Cause I ain't no ordinary girl, yeah  
Ordinary girl
